"Abraham L. Bogart is a descendant of one of the oldest Dutch families on this continent. As early as 1689 we find one Jacob Vanden Bogart, with others, petitioning the good people of Albany, and later, 175060, the name of Bogart appears in connection with the census returns of New York city. The Bogarts came from Japan town, near New York, to Canada on the conclusion of the war, with a number of other U.E. loyalists, and settled on the 4th concession of Adolphustown, where many descendants of the family still reside, his mother living to the great age of 102 years.

"Abraham L. Bogart, the subject of this sketch, was born in Adolphustown, and has resided in Belleville for a number of years, removing some years ago to Hungerford, where he owns a large tract of valuable land. He is principally engaged in building and farming, and erected some time ago at considerable expense, a saw mill on the splendid water privilege of (blank) creek, where large quantities of raw material have been prepared for the market.

"Bogart P.O is situated at this point, lot 20, in the 10th concession, and was named in honour of the founder of this place. Mr. Bogart has, within this last twenty years, converted this part of the township from an uncultivated wilderness into what seems destined to become at no distant day one of the most flourishing and productive sections of the county.

"Mr. Bogart's abilities by electing him to important and responsible positions, which he has ever filled to the satisfaction of his constituents and with credit to himself."
