

Friends of Sandbanks Plant 150 Sugar Maple Trees

Photography by John A. Brebner, 2017

Image 17-6258

With the help of environmental studies students at Prince Edward Collegiate Institute, the Friends planted 150 sugar maple trees near the site of the Sandbanks Park newest campsite.

Supported by grants from the Province, the County Community Foundation and the TD Bank, the new trees will grow to provide welcome shade as part of a long-term Park plan to reforest former farm fields.
