At a ceremony blessed by sunshine at the Outlet Beach sector of Sandbanks Provincial Park, the beach received the prestigious Blue Flag designation.

Awarded to beaches that have achieved international standards in water quality, environmental management, environmental education, and safety and services, the raising of the blue flag at a certified beach or marina indicates to visitors that the beach has outstanding water quality, and encourages people to become better environmental stewards of those areas for enjoyment of generations to come.

Participants at the ceremony included the Hon. Kathryn McGarry, MPP for Cambridge and Minister of Natural Resources and Forestry, Prince Edward County Mayor Robert Quaiff, Environmental Defence Program manager Brett Tyron, and Park Superintendent Robin Reilly.
