

2018 Aerial Images – Garratt Island

Photography by John A. Brebner, 2018

Image 18-03301

Garratt Island is located about 4 km north of Dunes Beach in West Lake. The stub of the island attached to the bar belongs to the Park, the island is privately owned. The sand bar was breached just north of here as can be [seen on the 1863 Tremaine map](#).

Not to be confused with adjacent Gasket Island, home of the Wesley Acres Retreat Centre and Campground.
