

2018 Aerial Images, Gasket Island

Photography by John A. Brebner, 2018

Image 18-03506

Gasket Island (not to be confused with Garratt Island) is in West Lake, connected via causeway to the County near Bloomfield.

It's now the home of the [Wesley Acres Retreat Centre and Campground](#).

Owned in 1863 by early settlers [Charles McDonald \(genealogy\)](#) and [Youngs Cunningham \(genealogy\)](#), the McDonald farmhouse is still extant on the island.
