On Mother's Day May 18<sup>th</sup>, 2017, Park Naturalist Yvette Bree conducted a very successful wildflower walk at the south end of the Outlet Beach.

Over 25 enthusiasts were shown a beautiful carpet of trilliums at their spring best, as well as numerous other native flowering plants.

After the walk, participants enjoyed tea and scones at Currah's, with musician Mark Despault and artist Catherine Reilly rounding out an afternoon that was fun for visitors of all ages.
